

More power. More profits.

The world's most productive and profitable trimmer system: Now available in more models than ever!

For no-hassle meat recovery, defatting and muscle cutting, experience the *ultimate in productivity and bottom-line performance* when you use the expanded lineup of Bettcher Quantum® Trimmers.

- Increased meat yields
- Improved product appearance
- Minimized need for rework
- Improved worker productivity

Join other leading North American plants ... and gain all these benefits, too!

Visit bettcher.com/quantum for video demos and detailed specs!

Contact your Bettcher Yield Specialist at **800-321-8763** or quantum@bettcher.com to schedule an in-plant demonstration and custom financial impact analysis.

From the makers of the Whizard® Trimmer ...
