

**KAESER
COMPRESSORS**

Built for a lifetime.™

***“You push the button.
We do the rest.”***

Photography pioneer George Eastman would have prized the simplicity and functionality of Com-paK Plus™ blower packages.

— George Eastman

Why do so many facilities choose Com-paK Plus™ blower packages from Kaeser? It's because we offer the most comprehensive, “we-thought-of-everything” fully packaged solution.

Our pre-engineered, piped and wired blower package is the best combination of reliable performance and quality construction in a small footprint, with push-button ease of use. Delivered ready to operate, it'll reduce the time you spend specifying and purchasing individual system components.

Easy-access maintenance, low power consumption and unmatched equipment reliability reduce your operating costs, too. And only Kaeser makes the blower packages suitable for remote operation.

With an industry-leading warranty plus our proven reputation for superior customer service, it's no wonder Kaeser delivers the best value for the price! Contact us today to learn more about the powerful benefits of versatile Com-paK™ blower packages.
