

IT PAYS TO PICK A WINNER

EXPAND YOUR BUSINESS WITH OUR VERSATILE PATIO DOOR KIT

At last, a sliding patio door kit that delivers all the benefits you want in one great system: great style ... R-5 energy efficiency ... DP55 (C3) long-life structural strength ... and easy fabrication with no capital investment.

Whether you're in Montreal or Miami, the REHAU System 2200 door meets virtually any demand. And all this potential is packed in a knockdown kit that's easily assembled in your shop or on the job site.

From the 1 3/8 in (35 mm) glazing channel and three-point locking system to the smooth operation of the saddle rail sash, this is a door that's engineered for top performance and great customer appeal. Make it your own by adding your choice of glass, door handle, transoms/sidelites, brickmold trims and more.

Even better, **we're offering a free sample door kit to qualified buyers!*** To learn more about this one-of-a-kind offer, available for a limited time, visit <http://na.rehau.com/freekit> or call 800-247-9445.
